Metadata CMS with the new look and feel

The following Pan-European metadata services give overviews of marine organisations in Europe and their engagement in marine research projects, managing large datasets, and data acquisition by research vessels and monitoring programmes for the European seas and global oceans:

Coordination – Extranet D2.3 - Reminder

- Can be accessed from the web site of the project

- Use SeaDataNet login
- SeaDataNet login is not enough, you must ask for an access to the extranet, email to sdn-userdesk@seadatanet.org
- Then you will be attached to a specific group with the access rights of this group

Coordination – Extranet D2.3 - Access

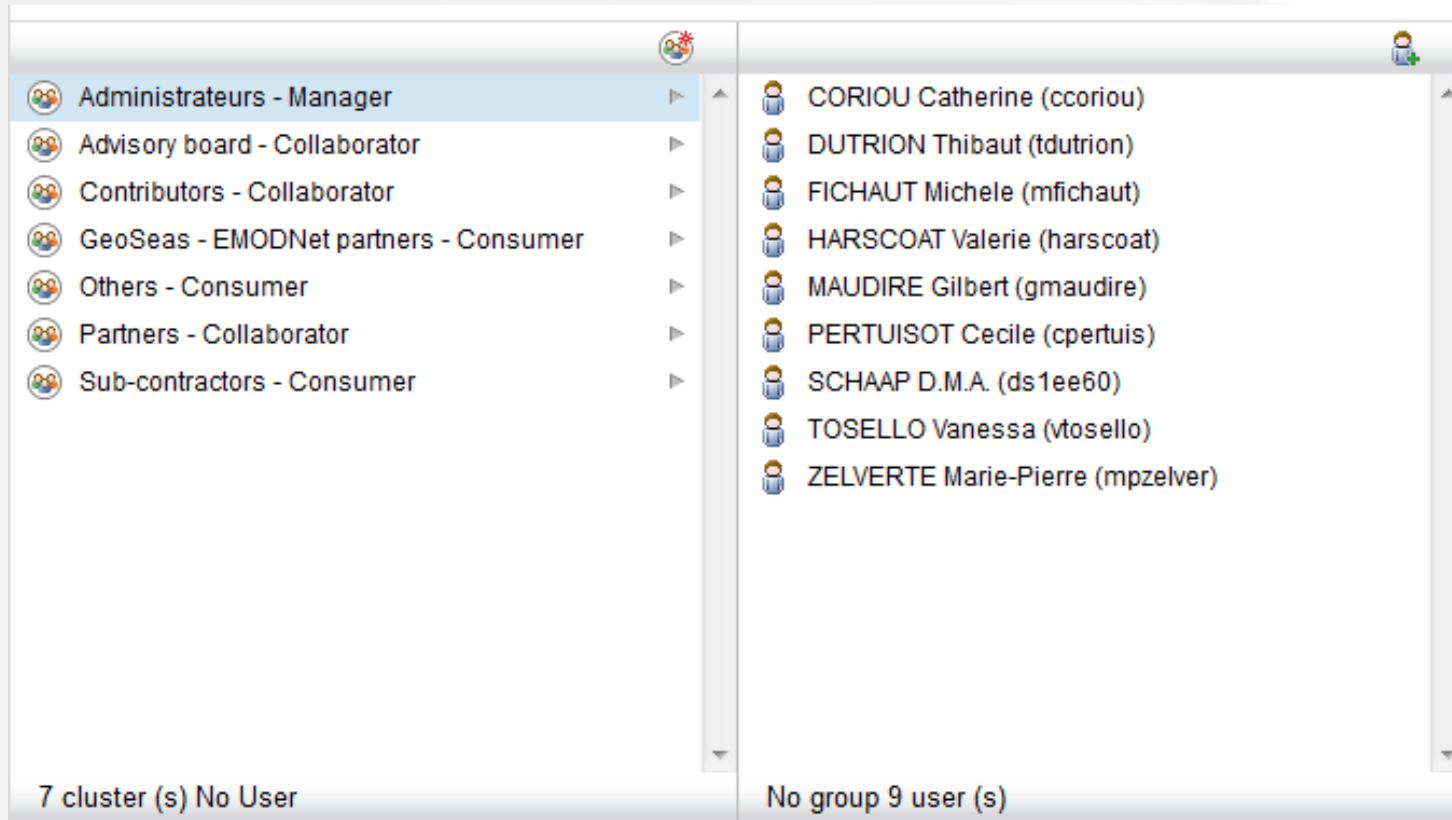

- Management of access and rights on the files
- 3 levels for this management
 - Roles for the SDN extranet
 - Groups of users with default roles for the SDN extranet
 - Permissions per directory of SDN extranet for the different groups. By default all directories are accessible to all groups, but we have put some restrictions on some directories.

Coordination – Extranet D2.3 - Roles

- **3 Roles**
 - **Manager (Project office)**
 - Creation and management of the project : user registration, definition of user rights, etc.
 - All rights on all documents
 - **Collaborator (Advisory Board, Partners)**
 - Management of documents
 - Creation and modification of any documents
 - Suppression and move of their own documents
 - **Consumer (Sub-contractors, Geo-Seas and EMODNet partners, EU Officer)**
 - Read and download the document

Coordination – Extranet D2.3 - Groups

- 7 groups of users

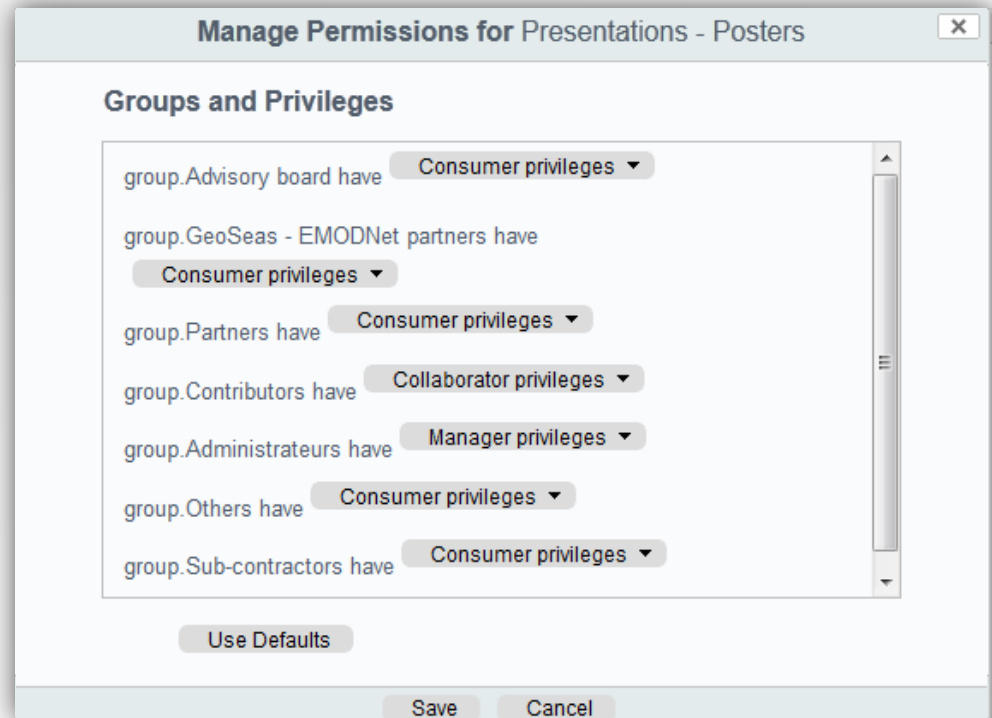

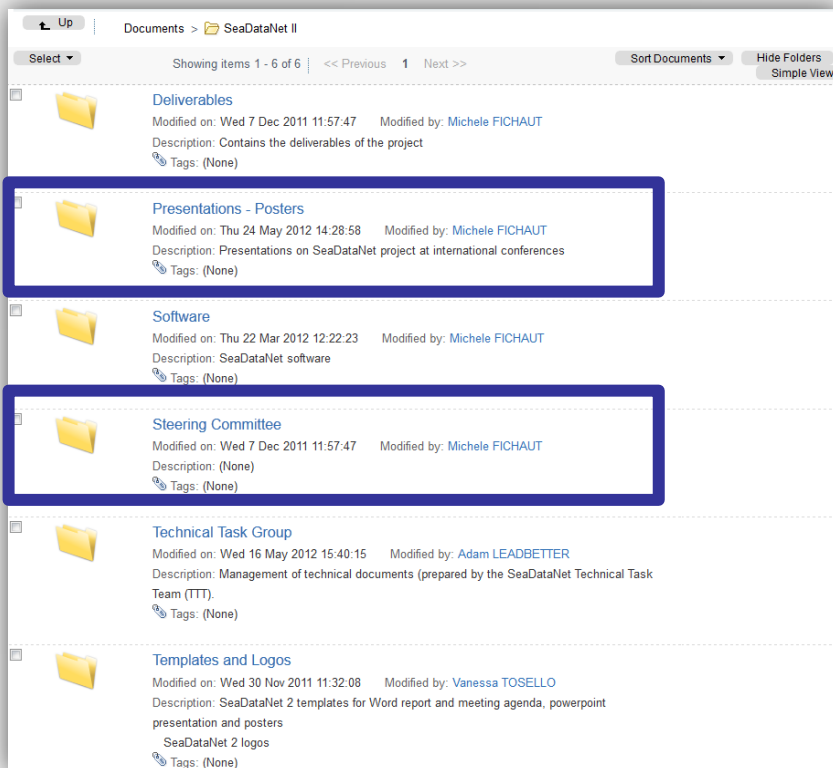

The screenshot displays the 'Groups' management interface of the SeaDataNet Extranet D2.3. It is divided into two main panels. The left panel, titled 'Administrateurs - Manager', lists seven user groups, each with a group icon and a right-pointing arrow: 'Administrateurs - Manager', 'Advisory board - Collaborator', 'Contributors - Collaborator', 'GeoSeas - EMODNet partners - Consumer', 'Others - Consumer', 'Partners - Collaborator', and 'Sub-contractors - Consumer'. The right panel, titled 'CORIOU Catherine (ccorieu)', lists nine individual users, each with a user icon and a right-pointing arrow: 'CORIOU Catherine (ccorieu)', 'DUTRION Thibaut (tdutrion)', 'FICHAUT Michele (mfichaut)', 'HARSCOAT Valerie (harscoat)', 'MAUDIRE Gilbert (gmaudire)', 'PERTUISOT Cecile (cpertuis)', 'SCHAAP D.M.A. (ds1ee60)', 'TOSELLO Vanessa (vtosello)', and 'ZELVERTE Marie-Pierre (mpzelter)'. At the bottom of the left panel, it states '7 cluster (s) No User'. At the bottom of the right panel, it states 'No group 9 user (s)'.

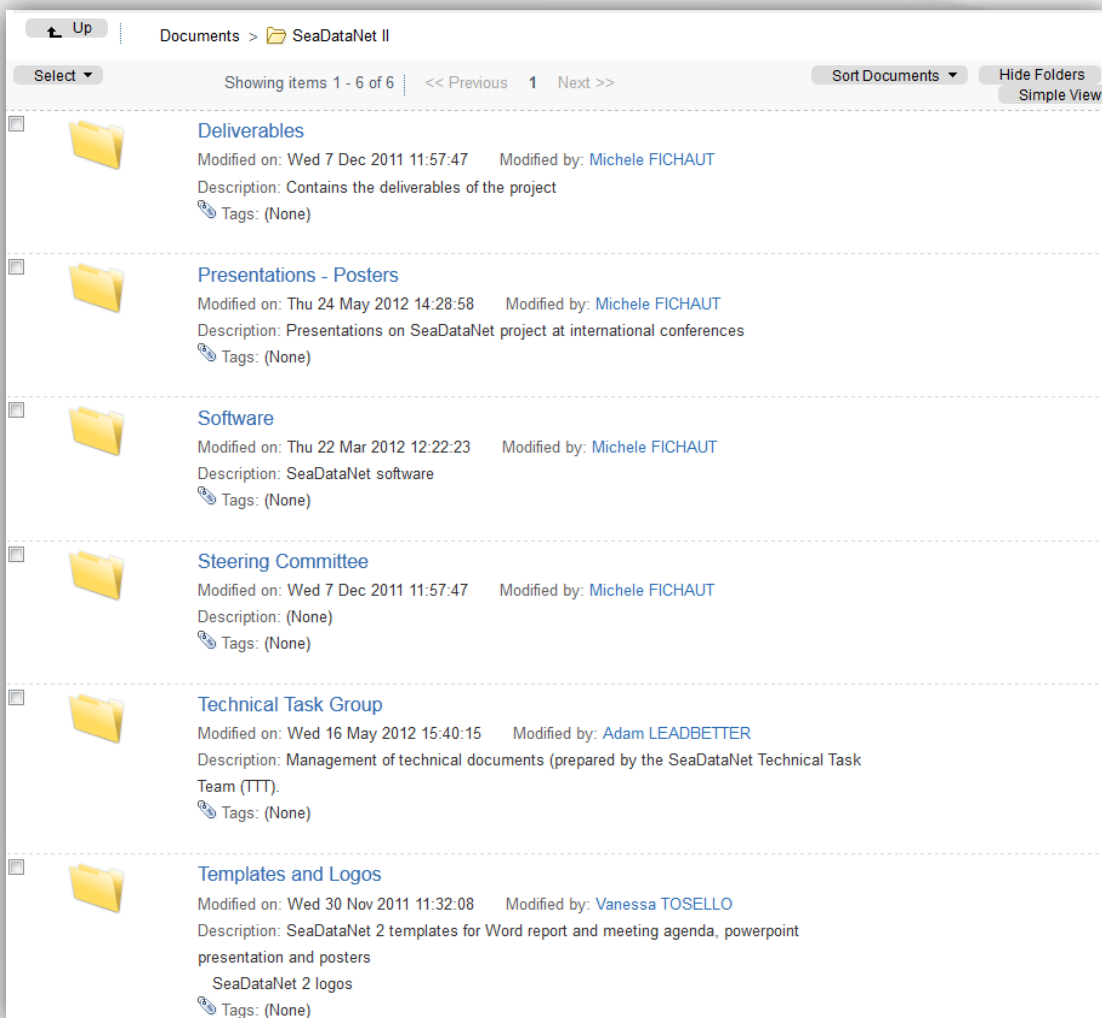

Group	User
Administrateurs - Manager	CORIOU Catherine (ccorieu)
Advisory board - Collaborator	DUTRION Thibaut (tdutrion)
Contributors - Collaborator	FICHAUT Michele (mfichaut)
GeoSeas - EMODNet partners - Consumer	HARSCOAT Valerie (harscoat)
Others - Consumer	MAUDIRE Gilbert (gmaudire)
Partners - Collaborator	PERTUISOT Cecile (cpertuis)
Sub-contractors - Consumer	SCHAAP D.M.A. (ds1ee60)
	TOSELLO Vanessa (vtosello)
	ZELVERTE Marie-Pierre (mpzelter)

Coordination – Extranet D2.3 - Permissions

- Each group of user may or may not have access to each directory of the SDN extranet

Coordination – Extranet D2.3 - Content
