

# SeaDataCloud

Closure

M. Fichaut

Final web plenary meeting, 29-30 October 2020  
sdn-userdesk@seadatanet.org – [www.seadatanet.org](http://www.seadatanet.org)

- End of the SeaDataCloud project but **not of the SeaDataNet infrastructure!!!**

– We did a lot of work during the 4 years of SeaDataCloud and we have to be proud of all the accomplishments that will be described during this meeting

– Unfortunately we have not succeeded having a secure on-going funding for the infrastructure by the rejection of the SeaDataCloud 2 proposal

– Nevertheless we count on you all to keep the infrastructure alive and to be ready as soon as a new EC call will give us an opportunity to submit a new proposal!

# My message to all of you

- Open your data !

- Engage yourself for the SeaDataNet sustainability and keep the infrastructure alive

- Become a member of the

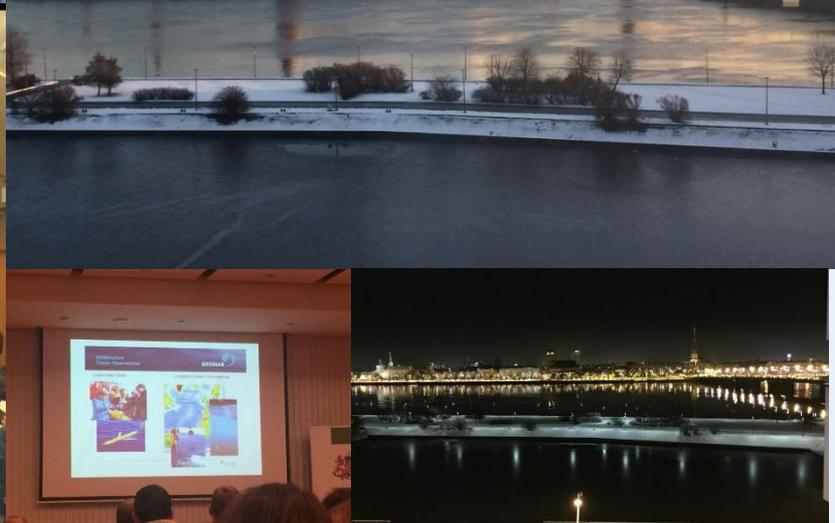

## And finally

Thank you all for this fruitful collaboration over the last 4 years and for the team spirit that we all share!!
