AIRPORTS in CYPRUS

Cyprus has 2 international airports: LARNACA and PAPHOS . These two **airports** allow visitors from the EU countries and elsewhere easy to access Cyprus Island located in the Eastern Mediterranean. The most popular of the *Cyprus Airports* is Larnaca International Airport. An alternative is the airport at Paphos which is situated to the east of the resort of Paphos and is operated most by the chartered flights and low cost flight companies like EASY JET, Sky AIRLINES, JET AIR FLY, AIR BERLIN, THOMSON Airways and CYPRUS Airways .

More information about the two Cyprus airports, Airlines that fly to/from Cyprus can be found on the following link: <http://www.cyprusairports.com.cy/showpage.php?PageID=257>

TO/FROM AIRPORT

The Amathus Beach Hotel is situated in the resort of Paphos, 15 kilometers from the Paphos Airport and 120 Km from Larnaca Airport. From Paphos Airport you can take a taxi to reach the Amathus Beach Hotel Pafos in only 10 minutes. Taxi price is around 15- 20 Euros.

**Steering Committee & TTG Meeting
Paphos, Cyprus , 28th - 30th March, 2012**

From Larnaca airport you can also take a taxi or the bus to Paphos. We will arrange shuttle buses for the participants who are arriving at Larnaca Airport, therefore we kindly ask you to provide your flight details asap to Mrs. Andria Karaolia (andriak@ucy.ac.cy and cc to coman.claudia@ucy.ac.cy)

Map of the Cyprus Island
